

EASY BREEZY FAIR ISLE PONCHO

Knitted in our exclusive Robin Turner Gourmet Fibers, MicroWash, this super cute, easy breezy poncho can be made to fit any kid's size from 12 months on up. Machine washable and dryer friendly! We used Cornflower Blue, Baby Blue, Lime and Bright White. You can use any compatible colors by simply following the charts. Fringe liberally and use the crab stitch to neaten the neckline.

A note about Fair Isle . . .

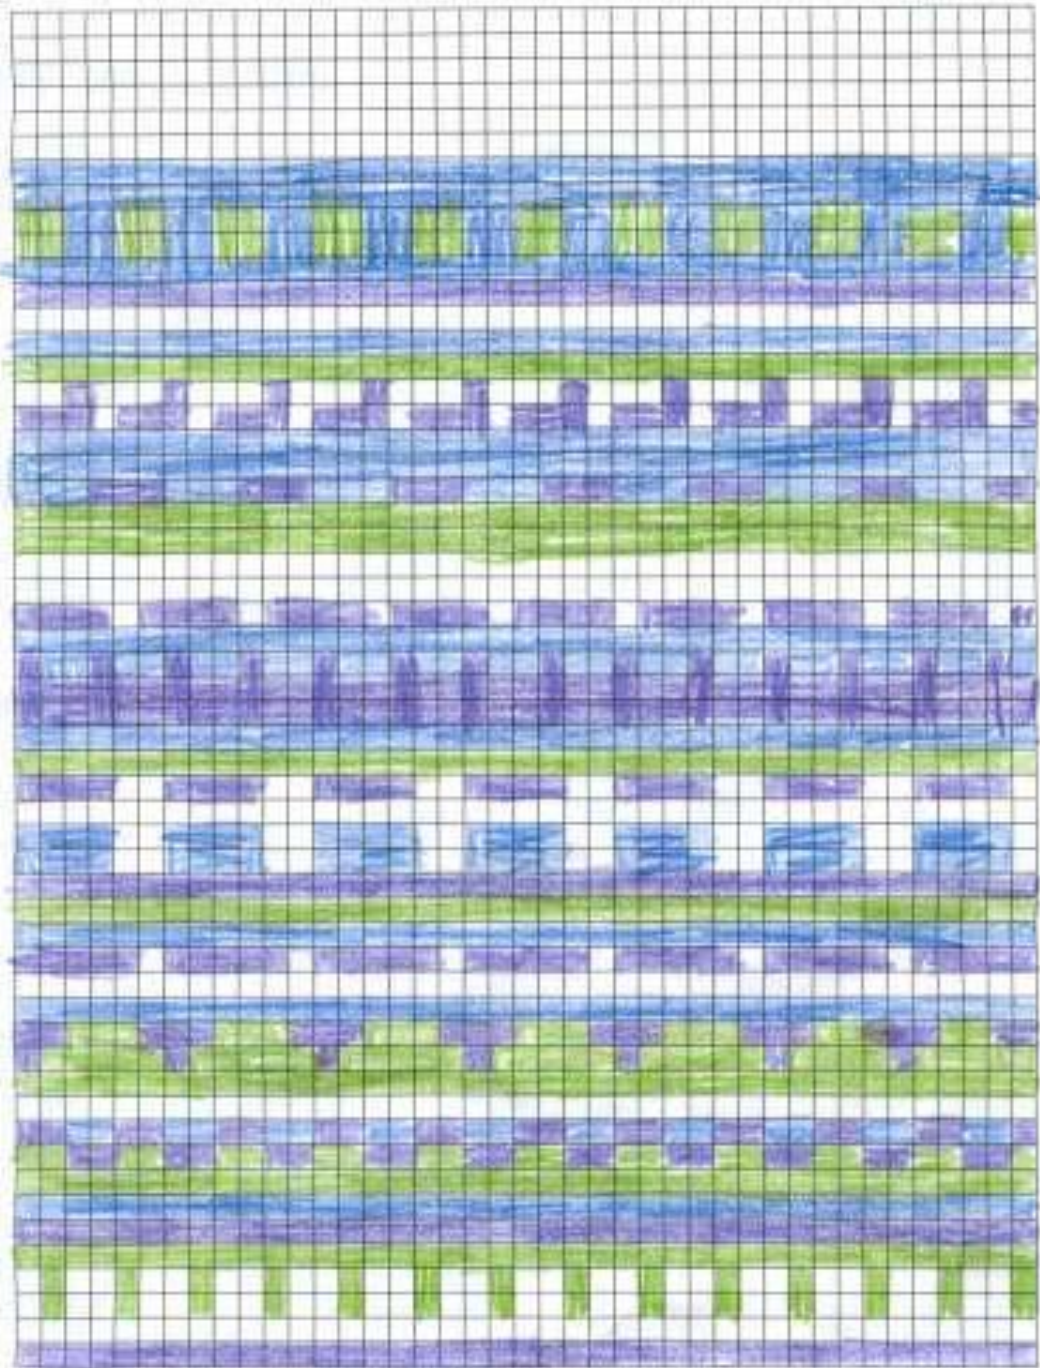

Do not break the yarn as you change colors. Simply carry them up the selvedge of your work. Be sure to twist the yarn and take it from "below" the previous color. That way you prevent holes. Have fun with our chart, or make up your own design!
