

ROBIN'S BISCAVNE BEAUTY

Easy Decorator Throw

A simple 2 by 3 rib makes a delightful afghan that looks great on both sides. Use up some of your stash or pick the colors you wish to match a bedroom, as I did in the case of this super soft, comfy throw.

MATERIALS

One 36 inch size 11 circular needle
Approximately 2400 yards of heavy worsted weight yarn.
Be sure to add some glitz and fun to it by sprinkling in novelties like Trendsetter Joy and Eyelash here and there! Finished Dimensions 48" by 65"

DIRECTIONS

Cast on 165 stitches loosely.
Row 1: K3, P2, across row.
Row 2: Knit the Knits and Purl the Purls across row.
Repeat, changing yarns every 3 or 4 rows whenever you wish.
NOTE: Always slip the first stitch of each row, giving the edge a nice finish.
Weave in ends as you work the color changes.
When afghan measures 65 inches (or desired length), BO in pattern loosely.
